SUPPORT THE MISSION OF LOVE

THE FOUNDING FAMILY OF GOD CARES MINISTRIES

God Cares Ministries was established through the vision, sacrifice, and unwavering commitment of one family dedicated to serving humanity with compassion, integrity, and hope. From its very beginning, the ministry has been sustained through their personal dedication, resources, and steadfast commitment to improving lives and promoting universal values that strengthen individuals, families, and communities.

The Founding Family

C. James White – Founder

Mrs. Vijaya James White – Co-founder

Stanley Dev Adams J. – Son

Sharon Doris Angel J. – Daughter

From the earliest days of the ministry, the founding family has wholeheartedly devoted their time, talents, resources, and personal family savings to establish and sustain its work. Through many challenges and personal sacrifices, they have remained steadfast in their commitment to expanding the ministry's educational, humanitarian, and community service initiatives.

Throughout its journey, God Cares Ministries has progressed largely through the perseverance and dedication of its founding family. Their vision has always been to serve humanity with sincerity, compassion, and practical care while encouraging values that promote truth, love, justice, peace, responsibility, kindness, integrity, and mutual respect.

Today, the ministry carries out its mission through educational initiatives, humanitarian outreach, community development, and the production of multilingual audio-visual resources designed to inspire hope, strengthen moral and ethical values, and encourage positive transformation in individuals and society.

Among its major initiatives are **The Universal Royal Law of Love** and **The Holy Sabbath**—educational projects that encourage thoughtful reflection on timeless principles that promote love, compassion, justice, responsibility, integrity, respect for one another, and reverence for the Creator. These initiatives seek to foster understanding, meaningful dialogue, and peaceful coexistence among people of every nation, culture, language, and community.

The founding family's desire has never been personal recognition or material gain. Their greatest fulfilment comes from seeing lives transformed through education, compassionate service, and opportunities that bring hope, dignity, encouragement, and a brighter future to individuals and families facing hardship.

Looking to the future, they aspire to produce high-definition multilingual audio-visual resources and educational materials that can be freely accessed by people throughout the world. Their vision is to make these resources available in as many languages as possible so that people from diverse cultures and backgrounds may benefit from messages that promote truth, love, compassion, justice, peace, responsible living, and mutual respect.

THE FOUNDING FAMILY OF GOD CARES MINISTRIES

The founding family warmly invites compassionate individuals, families, organisations, institutions, and well-wishers to partner with God Cares Ministries in advancing this mission of education, humanitarian service, and community development.

Your encouragement, participation, and generous financial support help expand educational initiatives, develop multilingual audio-visual resources, strengthen humanitarian outreach, and extend practical assistance to individuals and families experiencing poverty, hardship, and crisis.

Together, we can provide nutritious food for hungry families, essential medical care and life-saving medicines for the sick, clothing for those in need, educational assistance for underprivileged children, and support to repair or rebuild unsafe homes that leave families vulnerable to rain, extreme weather, and unsafe living conditions.

God Cares Ministries serves all people without discrimination, regardless of caste, colour, creed, religion, nationality, language, ethnicity, community, gender, age, social status, or economic condition. Our humanitarian services are offered with compassion, respect, fairness, and a commitment to upholding the dignity, worth, and well-being of every human being.

Every contribution—whether through prayer, encouragement, volunteering, professional expertise, or financial support—helps restore hope, improve lives, and create opportunities for individuals and communities to flourish. Each act of generosity becomes an investment in a future built upon compassion, dignity, justice, mutual care, and lasting hope.

Together, we can build stronger families, healthier communities, and a more compassionate world by promoting universal values that unite rather than divide, bringing hope, practical support, and positive transformation wherever they are needed most.

Serving humanity with truth, love, compassion, justice, peace, and hope.

"SUPPORT THE FAMILY BEHIND THIS MISSION"

For many years, the founding family of **God Cares Ministries** has sustained the ministry through personal sacrifice, dedicating not only their time, talents, and energy, but also their family savings and a significant portion of their personal income. Believing deeply in the mission entrusted to them, **C. James White made the life-changing decision to leave his employment in order to devote himself full-time to the ministry.** Since then, the family has consistently placed the mission above personal comfort, often carrying substantial financial responsibilities so that the ministry's educational, humanitarian, and community service initiatives could continue without interruption.

These ongoing sacrifices have placed considerable financial strain on the family. Yet they remain steadfast in their commitment to serving others, continuing the ministry's work with faith, perseverance, compassion, and hope despite many challenges.

If the mission and values of **God Cares Ministries** have touched your heart, we warmly invite you to consider supporting both the ministry and its founding family. Your generous contribution will help meet the family's essential living expenses, enable them to continue their full-time service, and strengthen the ministry's ongoing educational initiatives, humanitarian outreach, multilingual audio-visual productions, and assistance to individuals, families, and communities experiencing poverty and hardship.

Every gift, whether large or small, is deeply appreciated. Your generosity not only helps sustain those who have dedicated their lives to this work but also enables this mission of compassion, education, and humanitarian service to continue reaching people with hope, practical care, knowledge, and opportunities for a better future.

Thank you for standing with God Cares Ministries and its founding family. Your kindness, encouragement, and support become part of a shared commitment to serving humanity with truth, love, compassion, justice, peace, and hope. Together, we can continue extending this mission of service and making a lasting difference in the lives of many.

Bank details and QR code for contributions are provided below.

We sincerely thank you for your kindness, goodwill, prayers, and support.
